

PALMETTO
POINTE
ACADEMY

Mission Statement

Our mission is to love every student by creating a Christ-centered environment where they are known and valued, challenge them to pursue excellence in both faith and learning, and equip them to impact the world through character, leadership, and service.

Vision Statement

We seek to partner with families and the church to equip students to know Christ, grow in faith, and serve others with integrity, compassion, and purpose.

Statement of Faith

Our school operates under the beliefs of the Church of God, affirming:

- The Bible as the inspired and authoritative Word of God
- One God eternally existing as Father, Son, and Holy Spirit
- Salvation through faith in Jesus Christ
- The importance of holy living and Christlike character
- The responsibility of the Church to disciple and nurture believers

Biblical truth is integrated throughout all aspects of school life

Philosophy of Christian Education

At Palmetto Pointe Academy, we believe Christian education at the elementary level lays a critical foundation for a child's lifelong faith, learning, and character development. As a ministry of the Church, our school exists to partner with families in nurturing children academically and spiritually in a safe, loving, Christ-centered environment.

We believe that each child is created in the image of God, uniquely designed with purpose and potential. Therefore, our approach to education addresses the whole child—spiritually, intellectually, socially, emotionally, and physically—recognizing that young learners thrive when they are known, loved, and guided with care.

Christ at the Center of Learning

Jesus Christ is the foundation of our school. Biblical truth is woven throughout daily instruction so that students begin to understand God's Word and develop a growing relationship with Him. Through age-appropriate Bible instruction, prayer, worship, and classroom discussions, students learn that God is present in every area of life and learning.

Strong Academic Foundations

We are committed to providing a high-quality elementary education that builds strong foundations in reading, writing, mathematics, science, and social studies. Our curriculum encourages curiosity, critical thinking, and a love for learning while helping students recognize God as the source of all wisdom and truth.

Spiritual Growth and Character Formation

Elementary years are a vital season for shaping faith and character. We intentionally teach and model Christian virtues such as kindness, honesty, responsibility, respect, and self-control. Students are encouraged to practice biblical values in their relationships, learning to love God and love others through their words and actions.

Nurturing and Developmentally Appropriate Environment

We recognize that children learn best in an environment that is structured, supportive, and developmentally appropriate. Our teachers create classrooms where students feel safe to explore, ask questions, make mistakes, and grow. Instruction is designed to meet the needs of young learners while fostering independence, confidence, and responsibility.

Partnership with Families and the Church

We believe parents are the primary spiritual leaders in their children's lives. The school partners with families and the Church to support each child's growth through open communication, shared values, and mutual encouragement. Together, we seek to guide students toward a strong foundation of faith and learning.

Preparing Young Hearts to Serve

While our students are still young, we believe it is never too early to cultivate hearts of service. Students are encouraged to show compassion, practice gratitude, and serve others in age-appropriate ways, learning that they can reflect Christ's love in their school, church, and community.

Closing Statement

The philosophy of Christian education at Palmetto Pointe Academy for Kindergarten through 5th grade is centered on Christ, grounded in Scripture, and committed to nurturing young learners who love God, enjoy learning, and grow in wisdom, character, and faith.
